RIGHT-OF-WAY TO BE CONDEMNED

SUPERVISORS WILL MOVE TO AID CONSTRUCTION OF LAST LINK OF HIGHWAY.

Bill Presented for Pumping Machinery That Has Mysteriously Disappeared from Pescadero.

The board of supervisors met in adjourned session, Monday, April 26th, there being present Jos. M. Francis, presiding; Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

Supervisor MacBain was granted permission to purchase 2672 feet of lumber and one 12-inch pipe to repair a bridge on the La Honda road.

The county auditor submitted a report showing that there was due the City of San Bruno from the First Road district fund, the sum of $4,419.95. The report was accepted and ordered filed.

The State Highway Commission submitted a copy of a resolution selecting a route for the State highway between Beresford and Redwood City, and also a duly certified copy of a resolution recommending that the board acquire certain rights of way on said route. The copy of the resolution and the recommendation of the commissioners were accepted and placed on file.

A resolution was presented by the District Attorney to acquire certain portions of the Hull and Jewel property for a right of way for the above highway. The resolution was adopted on motion of Casey, seconded by Brown.

A communication was received from L. Bocci and Sons of Colma, asking for a permit to conduct a water pipe from their residence across the county highway in the town of Colma. The clerk was instructed to write the applicants and have them take the matter up with the highway commissioners.

On motion of MacBain, seconded by Casey, the board allowed the sum of $50 for the burial in the county of all honorably discharged soldiers.

The District Attorney presented a report from the State Railroad Commission, granting the County of San Mateo permission to establish a grade crossing over the tracks of the Southern Pacific Company at Holy Cross cemetery. The report was ordered filed.

Ray Simmonds, manager of the Simonds Machinery Company, appeared before the board in reference to a claim of his company for an engine and pump furnished in the Fifth road district last August, and which had been bought by a P. G. Sexton, then living in that district. The late Supervisor D. E. Blackburn was supposed to have sanctioned the purchase. The board rejected the bill on the ground that there was no evidence to show that the machinery had ever been used for county work. Incidently, no part of the machinery can be found at the present time.

The claim of Deputy Coroner M. A. Walsh for $10 for services performed on inquests of August A. Buhne, and Toy Wing Kong, was rejected on account of having been made out by the wrong party.

Adjourned to Monday, May 3.

VAL KIEFFER, HOTEL MAN, ENDS LIFE AT LA HONDA.

Valentine Kieffer, known to many who have visited the famous hotel at La Honda, bearing his name, ended his life Saturday morning by shooting himself with a shot gun. He had been in poor health for some time and had become very despondent. He left a note addressed to his brother, Armand in this city, saying he was sick and that there was nothing for him to live for.

Kieffer seemed to be in the best of spirits just a few minutes before his death. He was talking and joking with Albert Meyer and Wm. Seamen in front of the hotel, when he left them and entered the barroom. Shortly afterwards, a report rang out and when the two men rushed into the place they found the lifeless body of Kieffer with the gun lying, still smoking, on the floor.

The body was removed to the undertaking parlors of the James Crowe Co., and an inquest was held Monday afternoon. The funeral took place Tuesday, the interment being in Union cemetery.

The Kieffer family, which originally consisted of three brothers, was very well known in this county. Their hotel at La Honda became famous as the place where the French of San Mateo county gathered annually to celebrate the Fall of the Bastile. Another brother, Gus Kieffer, was killed a few years ago when a team he was driving, ran away and he was thrown out.

REDWOOD NOW SPOTLESS, CLEAN-UP WEEK A SUCCESS

Clean-up week, which began last Friday and ended Wednesday, was successful in every respect. The campaign was conducted under the able supervision of Trustee George Deleau, Street Superintendent J. C. Dickey and Fire Chief J. N. Winter, assisted by a corps of able workers.

Friday and Saturday were given over to the cleaning up of the back yards. All the old tins, and rubbish that had been accumulating since the successful clean up last year, were dug up and placed in piles on the street where they were gathered up in wagons supplied by the town and hauled away. On Monday and Tuesday the front yards and sidewalks were taken care of and the campaign closed Wednesday with the cleaning up of all adjoining lots and with the repairing and whitewashing of fences and sheds.

Redwood is now one of the cleanest cities in the state and is ready to extend a royal welcome to the great throng that is expected here on May 8th, the date of the Floral carnival.

SOCIETY WOMAN SOUGHT BY SHERIFF IS IN S. F.

Mrs. Adelaide Murphy Breckenridge, one time society belle of San Francisco, who is being sought by Sheriff Sheehan of this county on a charge of having given a fictitious check for $206, in payment of an automobile bill, is supposed to be in hiding in San Francisco, instead of sojourning in Georgia, as was first supposed.

District Attorney Swart is making every effort to locate Mrs. Breckenridge, and he is determined to press the charges against her, despite the promises of her relatives and friends to adjust her financial difficulties.

Her indebtedness here and in the east, is said to aggregate close to $22,000. Mrs. Breckenridge's father, Samuel G. Murphy, a millionare banker, believes that his daughter is mentally unbalanced.

May Day Fete at St. Peter's

St. Peter's church will hold a May Day Fete this Saturday afternoon on the grounds adjoining the church. In addition to the attractive booths there will be an interesting program, which will include a "May-pole dance." The proceeds are to go to the church street improvement fund. In connection with the fete the ladies of the Episcopal church will serve a lunch from 12 to 1 o'clock.

NARROW ESCAPE FOR TWO PEOPLE

AUTOMOBILE STRUCK BY TRAIN AND TWO OCCUPANTS ARE PAINFULLY INJURED.

Machine Burns Up, Flames are Communicated to Nearby Building, Causing Fire Alarm.

Mrs. C. O. Sappington, wife of a medical student at Stanford University, was severely injured Tuesday evening when an automobile in which she was riding with G. F. Helsey, a fellow student of Sappington, was struck by the Southern Pacific train, "The Lark."

The accident occurred at the Spruce street crossing, just below the chemical works. Helsey, who was driving the car, states that he took every precaution when he reached the crossing on the west side. He stopped and shifted the gear into the low and looked in both directions, but the tall building of the chemical works obstructed the view and he drove directly in front of the engine.

Mrs. Sappington was hurled about thirty feet and landed with great force against a section house alongside the track. Helsey was pinned underneath the overturned machine, which took fire when the gasoline tank exploded. He was rescued by the train crew and others and with Mrs. Sappington, who was picked up unconscious, was taken to Mrs. Huling's hospital nearby.

Drs. Ross and Chapin were called and it was found upon examination that Mrs. Sappington was suffering from a possible fracture of the skull. A trephine operation was later performed by Drs. Ross and Chapin of this city and Dr. Williams of Palo Alto. It will require several days to determine the exact extent of her injuries.

Helsey escaped more fortunately. His injuries consisted of numerous cuts and bruises about the face and head. It was miraculous that both occupants of the car were not killed, their escape being due to the fact that the train just caught the rear end of the machine.

The automobile, a Buick, was completely destroyed, when the gasoline tank exploded and set it on fire. A Southern Pacific section house close to the track also caught fire and an alarm was turned in, but the fire was put out by a bucket brigade before the arrival of the hose company.

The Lark was held up several hours on account of damage done to the front of the engine when it struck the machine. In fact the entire train service was delayed for some time.

The seven-months-old baby daughter of Nick and Anna Babek of Woodside died suddenly Monday morning. The funeral was held Tuesday afternoon, the interment being in Holy Cross cemetery, Menlo Park.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

TIME TO CALL A HALT.

The unfortunate accident of last Tuesday evening, which may yet cost one life, again calls attention to the necessity for action upon the part of the city authorities which will compell a greater regard for the safety of travelers upon our public streets. This particular crossing has long been regarded as an especially dangerous spot and in the past has beed the scene of more or less serious accidents. As each of these have occured, a demand has been made for more adequate protection. So far these demands have resulted in but little but promises which have failed almost entirely in realization.

Many of the trains which pass through this city are permitted to run at an extremely high rate of speed. That this is frequently an advantafe to traveling public, no one will question. That it is of at least equal advantage to the railway is also a fact which can not be questioned. Certainly the Southern Pacific Railway Company reaps a material monetary advantage from the privilege of rapid movement of its trains and for this reason has no right to complain of any expense to which they may be put in the interest of the people who have the first right to the use of the streets.

That there should be a stop put to this constant menace to human life, the public has a right to demand. That the city trustees have the power to compell the adequate safeguarding of these dangerous crossings, has been generally admitted. Their duty to the public demands that there should be no futher delay in the exercise of this authority.

DELYON GIVEN DAMAGES FOR DEMORALIZED AUTO.

Last October, E. Delyon, a shoe merchant of Mayfield, was driving his automobile with a party of friends on the state highway; and near Menlo Park he was run into by M. Sattui, a wine merchant of San Francisco, and Delyon's car was badly wrecked as a result of the collision. It was shown by the evidence, that Sattui, after colliding with Delyon's car, failed to stop to ascertain the extent of the damage which he had done. Motor Officer Logan, was a witness to the collision, and immediately pursued Sattui, and placed him under arrest upon a felony charge. He was subsequently released. Wednesday the civil action against him was tried before Justice of the Peace Seely of Redwood City. A. Mansfield acted as attorney for Sattui and J. J. Bullock appeared for Delyon. Justice Seely rendered judgment against Sattui, and in favor of Delyon for the sum sued for.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts

NEWS OF DALY CITY.

The indications now are that the plan for the organization of a local bank for Daly City is to be successful and that within a short time the organization of a company to conduct the enterprise will be completed. A considerable portion of the proposed capital stock of $25,000 has now been subscribed. It is expected that as soon as the company is incorporated a banking building will be erected at the corner of the Mission road and Wellington avenue.

WOODSIDE NOTES

Judge Thomas Lennon, presiding judge of the court of appeals and associate justice Frank Kerrigan, were guests of A. L. Meyerstein at his attractive home last Monday. Judge Kerrigan spends a great many weekends at this beautiful place. The Meyerstein home is one of the show places of the Peninsula.

The Family Farm will open to-day and a number of the members are arranging motor trips to Portola for the event. The farm is situated in the foothills near the homes of the Athearn Folgers, the Edwin Dimonds and the John Hoopers. There are tennis courts, trap shooting and other diversons at the farm and the members spend enjoyable week-ends there throughout the summer.

The beautiful A. W. Jackson home at Woodside was entirely destroyed by fire Thursday afternoon. Sparks from the chimney fell upon the roof and ignited it. The fierce wind of that time fanned the flames into a blaze and before assistance could arrive the fire had such a headway that nothing could be done to stop the ravages of the flames. The loss will be about $25,000. The building was originally erected 20 years ago but additions have been made to it from time to time since. The loss is partially covered by insurance. The Jacksons had not yet moved down from the city and the place was in charge of servants. In all probability the home will be rebuilt.

FROM THE COAST SIDE

Members of the senior class of the Halfmoon Bay high school are actively rehearsing an attractive little playlet, "Rebecca's Triumph," which they will present at an entertainment to be given on Saturday evening, May 8th. In addition to the play there will be an exhibition of moving pictures and the whole will conclude with a dance. The proceeds of the entertainment will be used to assist in financing the graduation exercises.

Rev. A. F. Walters, pastor of the Methodist Church at Halfmoon Bay, has been quite ill since his return from Sacramento. Services at the church next Sunday will be conducted by Dr. John Stephens of San Francisco.

H. C. Morse has leased a portion of the Coastside Manufacturing Company's building at Miramar and has opened a comfectionery business.

R. D. Savage and wife of Colma have leased a cottage at Slada Beach and will reside there for the summer.

PESCADERO CORRESPONDENCE.

The death of Mrs. M. R. Ellis, which occurred in the Old Ladies' Home in Temescal Tuesday, marked the passing away of a pioneer woman who had played her part in making history for the county. Mrs. M. R. Ellis was the aunt of Assessor Clarence D. Hayward, and a sister of Mr. Hayward's mother. She crossed the "plains" in 1862, coming directly to California. In 1865 she moved to Pescadero and lived there for twenty-five years. For many years, and in the days before the establishment of public schools on the coastside, Mrs. Ellis conducted a private school on the Steele ranch below Pescadero and was tutor to the Steele boys and many who are now prominent on the west side of the Santa Morina range. Twenty-four years ago Mrs. Ellis purchased a lifelong home for herself in the Old Ladies' Home and has lived there continuously ever since. A native of Vermont, Mrs. Ellis was 92 years of age at the time of her death. Mrs. Ellis' husband was the minister of the M. E. church here for many years.

POPULATION OF CITY IS DRIFTING TO WESTWARD.

"Westward the course of Empire takes its sway," and it is quite evident to an observing person that it is westward the population of this city is taking its way with a rapidity that is astonishing. Whether it is the Panama Pacific Exposition or the glorious climate of the peninsula that is acting as a magnet to draw newcomers to our midst, we do not know, but the fact remains that when FatherTime rings in the birth of 1916, the population of Redwood City will have increased one-third, if not more.

At the present time all eyes are centered on the Highlands, formerly called Dingee Park, where many handsome cottages and bungalows are being erected and plans for more being regared. It is not only the stranger who seeks a home beneath the strudy oaks on what was once the famous Horace Hawes ranch, but some of our old timers, who have spent most of their lives on the east side, so to speak, have determined to make their future homes among the golden poppy fields of the Highlands. Oscar A. Sahlberg will in a short time erect a fine residence on his lot on Birch steret and the latest sale reported, which was consummated the early part of the week, was that of a beautiful six-room bungalow on the lot adjoing the home of W. G. Frost on El Camino Real, by Baird Bros., the well known contractors and builders, to Mrs. Claude Fox. Mr. and Mrs. Fox will occupy their new home the early part of the coming week.

Many of the best cooks of the guild were busy all day yesterday and have prepared for a booth of home cooked goodies and substantials. There will also be a large number of articles of fancy work and household necessities for sale.

BUILDING BOOM FOR RESIDENCE SECTION

Large Force of Mechanics to be Given Employment in Redwood Highlands

The street work in Redwood Highlands, interrupted by the rainy season is shortly to be resumed, George H. Irving of the Irving Company, having given out the very cheering information that the demand for Highlands property has been so insistent that his company finds it necessary to pave and curb streets far in advance of the original program. This will mean the employment of a large force of laborers and consequently an addel impetus to the prosperity presaged by the building operations of the company. With one hundred this year, as planned by Mr. Irving, necessarily entailing the employment of a great number of mechanics, extensive street, paving tasks, active building work by the harbor company, tanneries running full blast, and good roads bringing thousands of visitors down the peninsula, with assured foothills development there is drawing for this city an era of growth which should bring a full measure of prosperity to Redwood City.

"The force of surveyors we have had in the foothills for the last few weeks," said Mr. Irving yesterday, "have completed their labors and we are now preparing maps preparatory to starting an active selling campaign. Since the announcement that the Irving Company had taken over three hundred acres in the beautiful foothills country we have received many inquires for acreage suitable for country home sites, and I look for a most successful selling season. Success for the Irving Company naturally means prosperity for Redwood City."

Mr. Irving declared that he expected to sell every lot in the Highlands before the end of the year, and that he believed his foothill holdings, because of their wonderful beauty and the degree of accessibility given by the good roads of San Mateo county, would not remain long on the market.

"We are quite proud of our Redwood Highlands development," continued Mr. Irving. "The lean times seem not to have affected our work in Redwood. Undoubtedly this is due to the fact that we have been extremely liberal in our terms and have, with little difficulty, convinced our prospects that in the Highlands, we have the choicest home section on the peninsula. Compared with trans-bay properties, peninsula holdings are far and away the best. The no-fog, no ferries argument, with better than fair prices, not to speak iof incomparable climatic conndditions, is bound to win for the peninsula, and it is winning. A recent report compiled by Collector of Port Davis of San Francisco, shows a falling off in trans-bay traffic. A Southern Pacific report shows an increase in Peninsula traffic. The ultimate result is obvious. I can give you basic figures. In sixty days the Irving Company has sold twenty homes. Twenty new families are coming to Redwood within the next three weeks, their arrival depending on the completion of the homes. Of these families, five are from across the bay. Averaging five to a family, the census department method of computation, and we have a pleasing result."

EASTERN PUBLISHER WAS LOCAL VISITOR

Robert D. Bristol, president of the Bancroft Publishing Company of New York, was a Redwood City visitor Thursday. Mr. Bristol has been a resident of the eastern metropolis for thirteen years, but before that resided in San Francisco and spent many of his summers at La Honda and San Gregorio and recalled with pleasure the many rides he had taken over the mountains with Sime Knights and his six horse stage coach.

Death of Pioneer Woman

Mrs. Louis Bernard, a pioneer resident of San Mateo county, passed away at her home in Halfmoon Bay Wednesday after an illness of several weeks. Mrs. Bernard was well known in Redwood City, and leaves to mourn her death two sons, William Keller and Leroy Bernard. The interment was at Halfmoon Bay yesterday.

CARNIVAL SPIRIT FLORAL FEATURE

Annual Festival of Redwood City to Present Many New and Distinctive Features

One week from today—May 8th, don't forget the date—all Redwood City and its surroundings will take a holiday, while the people join in the observance of our annual festival, the big Floral Carnival. That the celebration this year will far eclipse any of those of the past, may now be accepted as a foregone conclusion. Everything, from the floral exhibits to the sports to which much of the day and all of the evening will be devoted, will be on a far more elaborate scale.

While the afternoon will present many attractive features, undoubtedly the two special incidents will be the parade of the children, decked in their floral emblems, and the exhibition drills by the Nationals, the crack private military organization of San Francisco. These, however, will not be the only attractive features of the parade, for it is now assured that a large number of gaily decked automobiles will also be seen in the line of march.

The real fun of the day, seemingly has been reserved by the committee for the evening, when everyone is to be given an opportunity to join in an occasion of genuine carnival spirit. Arrangements have been completed for a splendid illumination of Broadway for a tral figure of this will be an elecmost its entire length. The centric decoration of the courthouse, which will be illuminated from the top of the great dome to the foot of the steps, this portion of the work having been donated by the Pacific Gas and Electric Company. The paved portion of the street will be given over to dancing, splendid music for which will be provided by the Redwood City Band. That there may be no lack of the carnival spirit, an abundant supply of confetti will be provided.

Another enthusiastic meeting of the committee in charge of the arrangements was held Thursday evening, at which there was a large attendance. Several handsome cups, to be presented as prizes for features of the parade, were selected. Arrangements were completed for entertaining the expected Eastern visitors and giving them an opportunity to see the attractions of this section of the peninsula.

RAIN PREVENTS OPENING OF BASEBALL SEASON.

Old man Pluivus interfered at the last minute with the opening of the baseball season in this city last Sunday and the game scheduled to take place between the local team and the Humboldts of San Francisco, had to be postponed.

It was thought that the light drizzle which started about 12 o'clock would not amount to enough to prevent the game from being played, and the two teams were on the field and waited until 2:30. By this time, however, the drizzle had turned into a steady downpour, which made playing out of the question, and the game had to be called off. The big opening will take place next Sunday, however, unless Pluvius again interferes, and the same teams will be the drawing card.
